a) Two-year B.Ed. Update (Teacher Education)

Teacher Education is not currently ready for the final proposition. The Committee members are still working on the course description. On November 25th the proposal was brought to Program Council and it was passed 25 to 0. Educational Policy however raised questions around the design of the program.

b) Request for major changes to the Formation à l’enseignement program.*

As mandated by the Government of Ontario, we are reviewing our Formation à l’enseignement program to align with the new 2 year requirement. This new program will consist of 2 sessions over 2 years and will include 80 days of evaluated practicum. The program will also include more in-depth courses on learning theories, classroom management, evaluation and planning and special education. Students will also be required to take a research methods course.

Motion: That Faculty Council accepts the request provided the following changes be made:

Section 3 : Ajouter une phrase indiquant que le comité de travail demeurera actif.

Section 6.5 a) : Ajout d’une mention sur la continué du travail déjà engagé par la Faculté et sur le développement des cours en ligne/ hybrides.
Section 6.5 b) : La taille des groupes pourrait « augmenter » (au lieu de « changer ») pour les cours de tronc commun.
Section 7 : Ajout d’une mention sur la poursuite des groupes de travail pour veiller à l’implantation

Les cours PED 3518, PED 3719, et intégration de l’apprentissage seront séparés en deux parties qui compteront pour 1.5 crédit au lieu de la formule précédente qui incluait des cours de 3 crédits qui s’étalaient sur deux sessions (dans toutes les descriptions de programmes et les descriptions de cours).
