

Go Further

We offer several Additional Qualification (AQ) courses online during this coming summer term. Taking AQ courses is a great way to qualify to teach in other divisions, enhance your knowledge and better your chances of employment.

Start Now

The summer term for AQ courses runs from July 6 to 31. This means that it is possible to take one or two Additional Qualification courses before next September, qualifications that will appear on your Certificate of Qualification and Registration from OCT.

Important Dates

Registration	Late registration*	Course change	Withdrawal with 100% refund - 50\$
April 6 - June 5	June 12	July 8	July 8

* The Faculty reserves the right to accept late registrations in person only.
Late registrations are accepted for AQ FSL only for candidates who have succeeded in the French competency test.

A Sensible Financial Decision

Did you know that taking AQ courses could increase your salary?
